

Mildred Potash

Brooklyn, NY | 646-626-9345 | potashmildred@gmail.com | [LinkedIn](#) | [Behance](#)

Completed an intensive UX Design program and earned the Google UX Design Certificate. Experienced in user research, design sprints, wireframing, prototyping, and presenting design solutions. Building on two years of client support experience in childcare and healthcare, I bring strong empathy, problem-solving skills, and attention to detail to an entry-level UX Designer role.

RELEVANT SKILLS

Tools: Figma • Google Drive (Docs, Slides)

Processes: Design sprints • Persona building • Defining problems and hypotheses • Wireframing • Prototyping • Accessibility best practices • UX research (surveys, usability testing, interviews) • Empathy mapping • User journey mapping • Ideation strategies (HMW and Crazy Eights) • Competitive and internal auditing •

Applied: User flows • Storyboards • Wireframing • Prototyping • Visual design (typography, color, iconography, grids, hierarchy) • Gestalt principles • Layouts • Information architecture • Design systems • Presentation

Related: User Research & Empathy • Wireframing & Prototyping (Figma) • Usability Testing & Feedback Analysis • Visual & Interaction Design • Accessibility & Inclusive Design • Problem Solving & Critical Thinking • Collaboration & Cross-Functional Communication • Design Systems & UI Consistency • Iterative Design Process

EDUCATION, CERTIFICATES, & CERTIFICATIONS

Merit America • *Virtual*

02/2026

Google UX Design Professional Certificate

- Immersion in **foundational principles** of UX design, including user-centric & equity-focused principles; cross-functional team collaboration; taking a project through (1) empathy research, (2) definition, (3) ideation, and (4) prototyping; visual design foundations; responsive and cross-device design
- Training in **essential tools and practices**, including applications (Figma); visual frameworks (journey-mapping, storyboarding, wireframing, low-/high-fidelity prototypes, final specs); research methodologies (interviews, surveys, usability, data, competitive auditing); ideation techniques (HMWs, crazy eights)
- Performed **true-to-life UX project work**, including case studies on essential tools and practices:
 - Case Study: CineEase: Accessible movie booking app | <https://tinyurl.com/27nfhv6m> | Mobile App
 - Case Study: CineEase | Accessible Responsive Movie Booking Website | <https://tinyurl.com/2jevzxmd>
 - Case Study: CalmPath – Accessible Emotional Regulation App | <https://tinyurl.com/yck3nxxj>

Master's Degree, Web Page, Digital/Multimedia and Information Resources Design

UX-RELATED PROJECTS

UX/UI Design Intern – Little Maria App (Luz Maria Mack | Remote
March 2026 – May 2026

- Collaborated with a cross-functional team to design an interactive mobile learning app based on a children’s book focused on bilingual literacy and early childhood engagement.
- Created user flows, low-fidelity wireframes, and interactive prototypes in Figma for reading activities, games, comprehension checks, and coloring experiences.
- Designed responsive mobile-first interfaces with accessibility and child-friendly interactions in mind.
- Participated in team meetings, design critiques, and iterative feedback sessions to improve usability and user engagement.
- Helped transform educational content into a culturally relevant digital experience through visual storytelling and interactive UX design.

Web Design • Virtual **12/2023 - 05/2024**

- Web design, Html, CSS
- Designing and developing responsive websites using **HTML, CSS, and JavaScript** to create clean, accessible, and visually appealing layouts.
- Applied UX design principles such as user flow, wireframing, and visual hierarchy to ensure usability and user satisfaction.
- Creating an interactive **portfolio website** showcasing UX case studies and front-end design projects.

Technical Skills & Web Design

- **Web Development:** Proficient in **HTML, CSS, and JavaScript** for building dynamic and responsive websites.
- **Front-End Practices:** Experienced in layout design, accessibility compliance, and performance optimization.

PROFESSIONAL EXPERIENCE

Teacher Assistant • Giggles Daycare, Brooklyn, New York **03/2024 - 05/2025**

- Managed a classroom of children ages 5–10 by preparing materials, supervising play, and reinforcing positive behavior, maintaining a safe and structured learning environment
- Facilitated small group and one-on-one instruction by designing tailored lesson plans and creative learning activities, improving developmental growth and academic readiness for students
- Collaborated with 2-4 teachers through communicating critical updates with parents, leading to strengthened family trust and higher program satisfaction from parents

Home Health Aid • Accent Care, Brooklyn, New York **07/2023 - 05/2024**

- Delivered compassionate in-home care to 50+ patients by assisting with daily living activities, mobility support, and medication reminders, promoting independence and improving overall quality of life
 - Observed and reported changes in patient conditions to nurses and family members, ensuring timely medical interventions, supporting safer care and reducing unnecessary hospital visits
 - Engaged patients in conversation and activities tailored to their needs, enhancing emotional well-being and fostering trustful relationships
-
